I Luv Uz—luv

God cares for us—we care for ourselves and for others.

Money Sense—ms

There are many issues surrounding how to use money and this App is full of challenges to help think through them. This might involve budgeting, giving to charity or investigating the stories behind how our purchases are made or supplied. The Bible gives sound advice about the way money should be viewed.

Pressure—pre

Life is not always smooth and it is inevitable that there will be times of feeling stressed or unable to cope. The Pressure App will explore strategies and techniques to help at such times, as well as finding out how words from the Bible may help you.

Responsibility—res

This App explores some of the rights and responsibilities that come with adulthood and leadership roles that may be required at home, in paid employment, at church or in voluntary work., helping in church or getting involved with voluntary work the girls' may be called upon to take leadership roles. At other times they will be part of a team or group that needs to work together. They will need to learn to organise themselves, prioritise and make decisions in many different contexts.

Technology—tec

Wide Web in all its facets allows us to speak to those across the world in a nanosecond. This App explores how to safely engage with these and other technological innovations. It also looks at how technological advances of the 21<sup>st</sup> century can be used to help communicate the message of the Christian faith in relevant and creative ways.

This App concentrates on those things that help with living a life closer to God. It looks at the importance of prayers, Bible reading and worship as well as finding new ways of getting involved with these things. It also focuses on the ways the good news of Jesus can be shared with others.

**God—hb**

This App is packed with challenges about the importance of a healthy lifestyle. This might be about careful food choices, improvement in fitness levels, good hygiene practices or finding out how to keep fit spiritually.

**Healthy Living—hl**

This App explores some of the many options that can be chosen to engage in during leisure time. Leisure time can bring enjoyment of the experiences while combining with a sense of physical and spiritual. Time is a gift of God to be used well.

**Leisure—lei**

The Bible says God is love. This App examines the response to this truth. It also examines the many different kinds of love found in different places—in families, in groups of friends, in special relationships, in romance or in marriage. This App is a challenge to seek the meaning of love in practical ways.

**Kitez—kit**

Fostering an appreciation of the colours of nature.

**Nature's Colourz—nc**

Making a house into a home is a real gift. This App looks at skills to develop, such as cooking, entertaining and DIY and explores the question "What makes a house a home?" The best challenge however, comes from God's Word - "As for me and my house, we will serve the Lord" (Joshua Ch.24:15) - now that's a challenge!

**Domestic Goddess—dg**

This App is full of challenges to prepare for facing life head on, looking at a world in need and offering practical skills to cope when things seem to go wrong. Christians, of course, know they always have God to turn to when the going gets tough!

**Emergency—em**

Faith and its influence on today's society seem to hit the headlines almost daily. This App looks at faith and the impact it has, or could have, on everyday life. The App helps to identify the beliefs of those claiming to be Christians.

**Faith—fai**

The time will come to leave home and start living independently. This experience brings with it the need for a whole new range of skills from setting up home to managing money, from making life choices about partners and careers to setting priorities and goals for future life. This App explores many of these issues and shows how God wants to be part of your future.

**Future—fut**

Jesus lived in a close community with His disciples. This App is packed with challenges about what it means to live in a community. Whether it's about looking at a local area or further afield, there are lots of ideas to help look at these issues and get involved.

**Community—com**

Creativity is a gift from God and creative hobbies are a good way of enjoying relaxation and leisure time. Personal discussions need to be made as to how best to use leisure time. Using God given creativity is a great way to do this. This App is full of challenges to help develop existing and new hobbies and talents. This might involve art, craft, music, drama, dance and design,

**Creative—cr**

Today there are more places than ever to find out about current affairs - in magazines, newspapers, TV or on the net. This App is a challenge to take a closer look at the constantly changing world, whether it is close to home or on the other side of the world. It helps to explore these issues from a Christian perspective and to consider if a difference can be made.

**Current Affairs—cur**

Many people in the world are obsessed with the way they look, celebrity focus and fast living lifestyles. This App helps to look at true beauty, to unpack the things that are important in life and highlight the importance of accepting that God sees us all as beautiful and special.

**Adventure—ad**

Adventure provides an opportunity to take an active part in a wide range of adventures, both in a local and a global setting. Experience what it means to make a difference in people's lives, encounter something new, achieve and bring about change. The app also helps to explore the great adventure in following Jesus!

**Big Issues—bi**

In the world today we can be faced with issues of huge significance - matters relating to life and death, truth and justice, freedom and oppression, sin and forgiveness or trust and acceptance. This app helps to see significant issues through the eyes of God.

**Children—chi**

Jesus Himself held children in high esteem, saying that we should become like them! Many young women will one day be mothers and others may work in professions which will involve interaction with young children. This App is designed to help develop skills that will help to understand the needs and responsibilities associated with such roles. The App explores practical tasks such as baby care and running a children's party.

**Communicationz—comu**

There are so many issues surrounding communication as it's such an important life skill. This App is full of challenges to help explore some of the ways to communicate more effectively. This might involve producing a church newsletter, organising a book club or using drama to show how important body language can be. Of course, one of the most fabulous things to learn is that God wants to communicate on a daily basis.
