Friendz Camp

The big event this month has been the i-girlz Friendz Camp at Lakes Ranch Camp near Rotorua. Stu had received registrations from 74 girls and leaders at last count. You can find heaps of photos of the campers having a wild and wet time at the following link:

Thanks to Belinda from Omokoroa i-girlz for posting these.

More Games

Attached is a new games book from Andrea at Omokoroa which comes complete with an index advising whether the games are outdoor, indoor, active, messy, or do not require any equipment. It is an awesome resource. Thank you so much, Andrea, for sharing this.

National Fees - Fourth Instalment

Because it is going to be a particularly busy time for us all between now and the end of the year we will not be asking you to send in your stats for Term 4, rather we will base the fees on your Term 3 stats. However, if you have a large variance in numbers and want to have fees based on Term 4 stats please contact Sue at the Support Centre.

Promotional DVD

The video guys were at the camp and will also be doing further filming in studio and Unit settings. We are very much looking forward to seeing what their creativity will produce.

Badge Orders

This is a very busy time at the Support Centre for Sue who not only handles all the IFG badge orders but the Girls' Brigade ones as well. Please do your part by getting in your orders in plenty of time.

New Badge

We have a new "Friendz" badge available. You may wish to present this to your girls who were at a "Friendz" camp this year.

On the Road Again

After training leaders for a new Unit in Christchurch next week I will be flying to Auckland to meet with the Board of GBNZ. Then Jennifer, Charmayne and I will meet together over three days before setting up a trade stand at the Baptist Conference. I will then go down to the Bay of Plenty to visit my mother (now 98) and borrow the family car to visit the Units I missed on my August trip and to catch up with our Stu. I have an overnigher in Wellington before arriving back home on the 18th by which time my own church (Blenheim Baptist) will be just about ready for leaders' training for their new Unit.

If you have any items you would like me to discuss with the Board or you need the support of the Ministry Team in some way please talk to us.

“Faith is where you close your eyes and open your hearts, moving beyond the familiar and embracing the unknown ...”

These words are on a photo frame that I picked up at IKEA on my recent visit to America. Reminded me of Hebrews 11:1.
