Summer 2017

A big welcome back to the wonderful world of iconz4girlz for 2017.

A special welcome to the i-girlz family to the new Unit at St Albans Baptist in Christchurch

Charmayne and I had a busy start to the year with various meetings in Tauranga, Auckland and Wellington. Charmayne also had a flying visit to Christchurch to meet and train the new leaders at the St Albans Unit.

### Current Big Project

We have been working on updating the Options Programme Book ready for printing and distribution to all Units.

The Options Programme was set up because leaders were asking for badges additional to the ones already in the IFG programme. How this was supposed to work was that when a Unit wanted to do a badge that we didn't already have, we designed it and had it made and then the Unit would send us the written programme outline so programme and badge could be shared with other Units thru the Optional Programme Book. It seems this didn't always happen and we have no written programmes to accompany the following badges:

- Craftz 2
- Easter (eas)
- Easter (heh)
- Father's Day
- Hostessing
- Memory verses
- Mother's Day (extra to the 2 week programmes in the Adventure book)
- Music
- Sewing - Stitching
- Sign Language
- Spiritual
- Woodwork

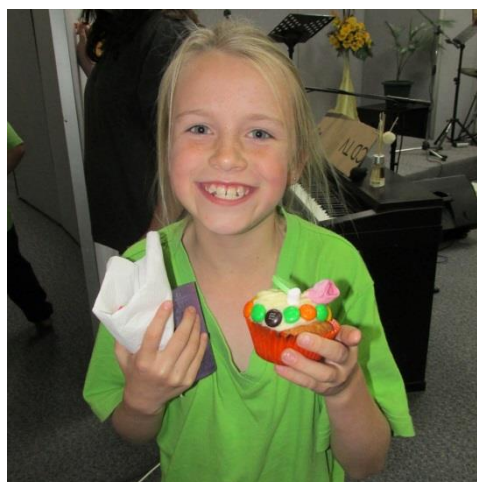

To jog your memory the badges are depicted.

There is also a 'Safety Smart' programme with no badge. If this was a programme from your Unit could you let me know please so we can track down the badge.

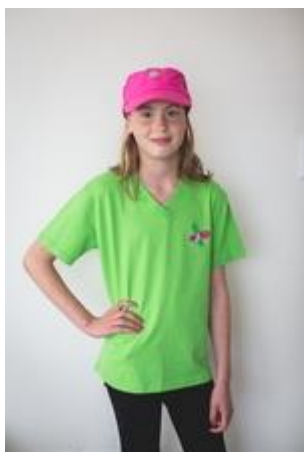

### New leaders

If you have new leaders who would like some training please let us know. One or two new leaders can probably be assimilated into your team but when most of the team is new we think you could possibly need some help. We are putting together our next road trip and will go where we are needed.

*Will travel for cupcakes*

## Some Good News

GBNZ has agreed that we can mark down the price of the size 14 and size 16 v necked T shirts to be the same as the smaller sizes.

*Shirts now \$19.55*
