

From the Ministry Team

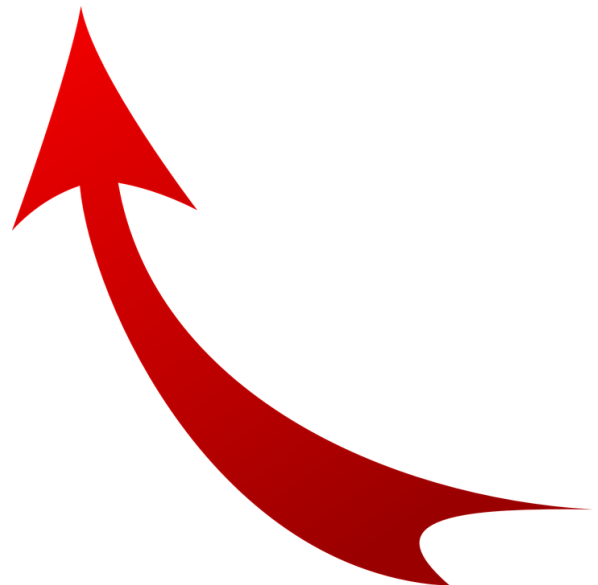

informing encouraging equipping

With Term Four almost upon us it's time to catch up with a bit of admin.

Firstly we need to know what printed programme manuals you require for your Unit for 2018. These are provided free of charge - one manual per level (Explore, Adventure, Challenge) per year. If you have been going for a while and your manuals are looking a little tatty we will replace at no charge. Send your requirements to info@iconz4girlz.org.nz by **Friday 20 October** so we can get them printed and delivered to you before the end of term. Everyone will be getting a new copy of the IFG Games Book and an updated Optional Badges Programme Book so you don't need to ask for those. Additionally, back by popular demand is the Badges Booklet so you will be getting one of those too.

For those affected by the closure of Vodafone's email services please remember to advise your new email address to info@iconz4girlz.co.nz If you communicate with Jennifer, Charmayne or me using our personal emails these are what they are now:

Charmayne Johnstone charmayne.jo@outlook.com

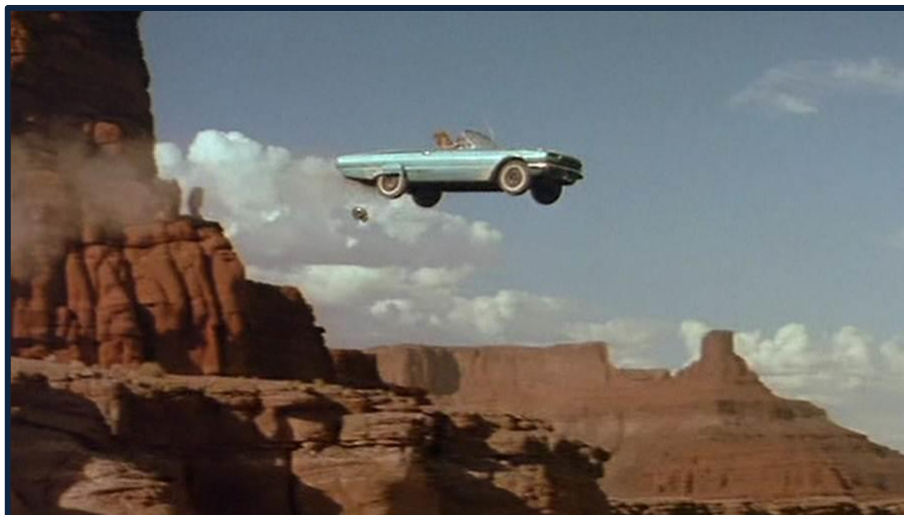

Chris Brunt chrissy.brunt@outlook.com

Following the return of Unit Annual Updates we discovered there were LOTS of new leaders who hadn't been registered or Police Vetted as well as there being existing leaders who had not provided three year renewals. After hours and hours of follow ups it is really sad that there are still seven Units that have not responded to my pleading. Oh the days I skip down to my letterbox with bright expectation and return only with special offers for gym memberships and pizzas. We advertise that leaders are approved by the church and are police vetted so it is a bit serious when these basic Health and Safety policies can't be met.

Need another lot of forms? These are on the IFG website or I will email to you if required.

On the road again

Charmayne and I will be visiting Units in Franklin, Waikato and Bay of Plenty in November. As well we will catch up with our friends at Seeit and Boys' Brigade ICONZ. We also have an important meeting with the Girls' Brigade National Commissioner and National Chaplain who hopefully will share with us their vision for the future development of the i-girlz ministry.

Earthquakes, aftershocks, floods and road closures meant we missed our window of opportunity to visit our South Island Units earlier this year but have a Plan B in place for early next year. Visits to Auckland and Wellington are in our sights as well. Charmayne and I have a real joy in catching up with our i-girlz leaders and hearing of all the wonderful adventures the girls are having.

Stats

Hopefully you all got your stats for Term Three to Julia at GB Accounts while I was away. These same numbers will be used again for Term Four invoices unless you advise Julia otherwise. accounts@iconz4girlz.org.nz

The year's not over 'til it's over.....

....still lots of opportunities to make a difference in the lives of our girls.

Here's to a great fourth term.
