Winter 2018 Edition

As a follow up to our Publicity/Recruiting Postcards we now have available for you at no charge “Three 4 Free” vouchers which gets the message across to girls that they are able to come along to i-girlz and have a look before making a commitment to join. Yours for the asking at info@iconz4girlz.org.nz

Congratulations to our own Charmayne Johnstone on bringing home the goodies from the NZ Masters Swimming Champs this last weekend - five personal golds and a bronze plus two Firsts in Relays which also smashed long standing NZ records.

The staff at the Girls' Brigade office has taken on administration work that was previously done by the IFG Ministry Team. This includes collecting up all the information required in the Unit Annual Update form. These forms went out to Units a week or so ago and are due back by 30th May. Please let the staff know office@girlsbrigade.org.nz if your Unit didn't receive one.

I noticed on the form there is only space for one Registered Leader/Helper/Assistant Leader with instructions to copy the whole page for additional leaders. I had a little play with the form and it was easy - even for me - to copy and paste just those particular text boxes the number of times you need them. Love these editable forms!

- ❖ *A reminder too, that when you change treasurers to please advise Seeit as well. sales@seeit.co.nz*

Charmayne and I will be visiting the six IFG Units in Auckland in June following the Girls' Brigade Conference. We will then spend a couple of days prospecting in Wellington before attending the Wellington Way2Go Conference where we will have a stand promoting i-girlz.

At this stage we have had no further information regarding the regional training opportunities we were hoping to offer all leaders. We are waiting for confirmation so we can tie these in with visits to other Units.

A great quote from the owner-builder on the TV programme 'Grand Designs Australia' the other night - "I've got ideas I haven't even thought of yet".

¹²I will give you a wiser mind than anyone else has ever had or ever will have!

Just what you need to be an i-girlz leader!!
