As the final term for 2012 gallops towards the finish line, just a reminder to get your end of term badge orders in to allow the staff at HQ plenty of time to fill them before your final fling for the year. On the subject of badges could you please let us know if you have any problems with badges that are faulty? Any faulty badges returned to HQ will be replaced at no charge and we will also cover any postage.

A big apology from the Ministry Team to the Units who received invoices for fees that they didn't owe. We were not aware that GBNZ was taking this action and are most concerned about it. We have taken professional advice and request that in future any incorrect invoices are returned for amendment as paying a portion of an incorrect invoice would indicate that you are acknowledging that the full amount as shown on the invoice is owed.

The latest project undertaken by the Ministry Team has been putting together the designs for the new badges for the Ultimate programme.

The Ministry Team is meeting with the National Executive in Auckland on 04 November and we would like to hear from you of any items/issues that you would like us to address with the Executive on your behalf.

Do you know someone who would be interested in taking on the IFG website, if so, please let one of the Team Members know. The website is already up and running but we just need someone to keep it up to date.

Thank you for all you are doing to make a difference to the lives of kiwi girls in your Units.

As always your Ministry Team sends you their warmest greetings.

"I thank God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now." Philippians 1 : 3-5.
