

Programme

This programme book has been put together as a guideline for your programme.

You can.....

- ❖ Use it as written. Each week's outline includes aims, objectives, devotions, games and badge work.
- ❖ Use it as a guideline. If you want to change the devotions, an activity or some other part within the programme to suit your girls and their needs, you can do so.
- ❖ The programmes are interchangeable. If you want to take one of the badge subjects at another time of the year to suit your environment, then please feel free to do so.
- ❖ Use your initiative - work the programme to suit your IFG Unit.

Our aim is to bring girls to Christ and in doing that we want your girls to have lots of fun and new experiences through IFG. If you wish to share feedback, the IFG Ministry Team would love to hear from you.
